9-11 Ottobre 2026 – Palaroma, Montesilvano (PE)

Welcome to the WORLD SHUAI JIAO GAMES

**Date 9th -11th
October 2026**

Welcome to Montesilvano, Italy. Welcome to the World Shuai Jiao Games 2026. Where tradition meets the world.

The event

For the first time in history, the world's greatest Shuai Jiao event comes to Europe. The World Shuai Jiao Games 2026 mark a historic milestone for the global Shuai Jiao community. For the very first time, this prestigious event — the pinnacle of traditional Chinese wrestling — will be held outside of China, hosted proudly by Europe, and even more proudly by Italy. This decision is not only an honor; it is a recognition of the passion, dedication, and growing strength of the Shuai Jiao movement across our continent.

From East to West, from past to future, Shuai Jiao continues to build bridges through respect, skill, and the universal language of martial arts. We are deeply grateful for the trust placed in us by the World Shuai Jiao Federation, and we are determined to make this edition an unforgettable celebration — one that will inspire generations of athletes, masters, and martial arts enthusiasts around the world.

Italy, with its rich cultural heritage and deep sense of hospitality, will offer the perfect stage for a global meeting of friendship, competition, and tradition.

Together, we will write a new page in the history of Shuai Jiao — a page that will be remembered for years to come.
